

Love

Love is a rose, with petals soft and sweet
Its fragrance fills the air, a fragrance so complete
It's a gentle breeze that caresses my face
A warm embrace that fills my soul with grace

Love is a dance, a soaring melody
A symphony of hearts that beat in harmony
It's a bond that grows with every passing day
A love that blossoms in a beautiful array

Love is a gift, a treasure to behold
It fills my life with joy and stories untold
I am grateful for the love that you bring
It's the one thing that makes my heart sing.

Loneliness

Loneliness is a prison, a cage of despair
It's a cold, empty feeling that lingers in the air
It's a voice that echoes in the darkness of the night
A pain that cuts like a sharp and jagged knife

Loneliness is a burden, a weight on my soul
It's a heavy load that I can't seem to unload
It's a longing for someone to share my life
A longing for a love that can mend this strife

Loneliness is a demon, a shadow of doubt
It whispers in my ear and makes me scream and shout
But I won't give in, I won't let it win
I'll fight this battle and find my way again.

Affection

Affection is a whisper, a gentle touch
It's a warm embrace, a feeling that means so much
It's a kindness that touches the heart
A love that sets us apart

Affection is a comfort, a soothing balm
It's a tender moment, a moment to calm
It's a gesture of love, a word of endearment
A sign that we are meant to be, forevermore

Affection is a bond, a tie that binds
It's a connection that can never be denied
It's a love that grows with each passing day
A love that will never fade away.

Bangladesh

Bangladesh, land of rivers and rice
Where the sun shines bright and the sky is so blue
A place of diversity, of culture and spice
A land of beauty, as old as time, anew

From the mountains of Chittagong to the fields of Barisal
From the beaches of Cox's Bazar to the city of Dhaka
This land is alive, with history and tales
A tapestry of traditions, a mosaic of marvels

Bangladesh, land of the brave and bold
Where the people are strong, resilient and kind
Their hearts full of love, their spirits never cold
Their hope and determination, forever intertwined

So here's to Bangladesh, this land of wonder
May her beauty and strength, forever prosper and thrive
May her people thrive, and her future be bright
May her spirit forever, flourish and thrive.

lost Love

Lost love, a pain that cuts so deep
A wound that never seems to heal
A heartache that lingers, a memory to keep
A love that once was real

Lost love, a ghost that haunts my dreams
A shadow that follows me everywhere
A longing for what could have been
A love that left me with a tear

Lost love, a memory that fades
A love that I must learn to let go
A feeling that I must face
A love that I must come to know

Lost love, a chapter in my story
A lesson that I must learn
A love that taught me how to be
A love that I must let burn

Lost love, a scar that I must bear
A reminder of the love I lost
But I will find the strength to carry on
And find a love that won't be tossed.

Last Spirit

The last spirit, a guardian of time
A keeper of secrets, a keeper of the line
Between life and death, between darkness and light
A spirit that guides us, through the darkest night

The last spirit, a protector of the soul
A guardian of faith, a guardian of the whole
A spirit that watches, over all we do
A spirit that leads us, when we are feeling blue

The last spirit, a messenger of hope
A bringer of peace, a bringer of the scope
Of all that's to come, of all that's to be
A spirit that shows us, what we are meant to see

The last spirit, a guide on our journey
A companion on the road, a friend in every story
A spirit that walks with us, through thick and thin
A spirit that helps us, find our way within.

Bromance

Bromance, a bond so strong
A friendship that lasts, all day and all night long
A bond that can't be broken, a bond that can't be denied
A bond that's built on trust, a bond that's fortified

Bromance, a bond that's deep and true
A bond that's unbreakable, through and through
A bond that's born of laughter, a bond that's born of fun
A bond that's always there, when the going gets tough and the day is done

Bromance, a bond that's pure and rare
A bond that's made of steel, a bond that's beyond compare
A bond that's forged in fire, a bond that's meant to be
A bond that will last, for all eternity.

Goblin

Goblins, mischievous creatures of the night
Their eyes aglow with a sinister light
They lurk in the shadows, waiting to pounce
Their razor sharp teeth, ready to announce

Their presence, with a sly and wicked grin
They cackle and laugh, as they begin
To plot and scheme, to steal and deceive
These pesky critters, a mischief to achieve

But beware, for goblins are not to be trifled with
Their cunning and cunning, a force to be reckoned with
So if you encounter one, on your travels through the land
Remember to be cautious, and keep a steady hand

For though they may seem small and weak
These mischievous goblins, are clever and sly
So watch your step, and watch your back
Or you may find yourself, a victim of their sly attack.

Messi

Messi, a name that echoes through the ages
A name that resonates, with the sound of the ball
A name that represents, the pinnacle of skill
A name that embodies, the art of the game, still

Messi, a player like no other
A magician with the ball, a true visionary
His footwork a wonder, his vision divine
His goals a masterpiece, every time

Messi, a leader on the field
A captain of his team, a captain who wields
The power to inspire, the power to create
The power to achieve, a victory that awaits

Messi, a legend in the making
A player whose legacy, will forever be shaking
The foundations of the game, a player who's left
His mark on the world, a player that's deft.

one-sided love V1

One-sided love, a pain that cuts so deep
A love that's unrequited, a love that I can't keep
A love that's one-sided, a love that's not returned
A love that leaves me, feeling battered and burned

One-sided love, a love that's hard to bear
A love that's one-sided, a love that's hard to share
A love that's unrequited, a love that's hard to find
A love that leaves me, feeling lost and behind

One-sided love, a love that's hard to shake
A love that's one-sided, a love that's hard to make
A love that's unrequited, a love that's hard to mend
A love that leaves me, feeling lonely and friendless in the end

One-sided love, a love that I must let go
A love that's one-sided, a love that I must know
Is not meant to be, a love that I must move on from
A love that leaves me, feeling broken and undone.

one-sided love V2

One-sided love, a feeling so pure
A love that's unrequited, a love that's not sure
If it will ever be returned, a love that's in doubt
A love that lingers, a love that pouts

One-sided love, a love that's unspoken
A love that's hidden, a love that's broken
A love that's buried, deep inside
A love that's aching, a love that's denied

One-sided love, a love that's in pain
A love that's suffering, a love that's in vain
A love that's longing, for a love that's true
A love that's yearning, for a love that's due

One-sided love, a love that's bittersweet
A love that's filled with longing, a love that's incomplete
But even though it may not be returned
This one-sided love, will always burn.

Despair

Despair, a feeling so deep
A pain that cuts, a wound that won't heal
A darkness that lingers, a shadow that creeps
A feeling that lingers, a feeling that's real

Despair, a weight on the soul
A burden that's heavy, a load that's hard to bear
A feeling that drains, a feeling that's whole
A feeling that consumes, a feeling that's unfair

Despair, a prison of the mind
A cage that imprisons, a cage that's hard to leave
A feeling that traps, a feeling that's confined
A feeling that suffocates, a feeling that's naive

Despair, a demon that haunts
A monster that lurks, a monster that taunts
A feeling that drains, a feeling that saps
A feeling that takes, a feeling that's unkind

But even in the depths of despair
There is hope, a glimmer of light
There is a way out, a way to repair
The wounds of the heart, and make everything right

So hold on to hope, and never give in
To the darkness of despair, and the pain within
For even in the darkest of times
There is a way to find the light, and make everything shine.

Snow

Snow, a blanket of white
A canvas of beauty, a sight so bright
It covers the ground, and turns the world around
Into a winter wonderland, with magic abound

Snow, a tapestry of flakes
A dance of crystals, a sight that awakens
The senses, and fills the heart with glee
A wonder of nature, a sight to see

Snow, a gift of the season
A sign of the winter, a reason
To bundle up, and brave the cold
To play and laugh, and stories told

Snow, a treasure of the heart
A memory to keep, a memory to impart
To future generations, a legacy to share
A gift of the season, a treasure beyond compare.

Learn to live alone

Learn to live alone, a journey of self-discovery
A path that's filled with challenges, and moments of misery
But also with moments of joy, and moments of growth
A path that teaches us, how to be on our own

Learn to live alone, a process of independence
A process of self-reliance, a process of resilience
It's a process that teaches us, how to stand on our own two feet
And how to find our own way, in the world we meet

Learn to live alone, a journey of self-acceptance
A journey of self-worth, a journey of self-reliance
It's a journey that helps us, to find our own voice
And to learn to live life, on our own terms and rejoice

So embrace the journey, of learning to live alone
Embrace the challenges, and the moments unknown
For it's through this journey, that we learn to be strong
And to find our own way, and to carry on.

Black Night

Black night, a canvas of darkness
A canvas of mystery, a canvas of starkness
It covers the sky, and wraps the world in its embrace
A blanket of shadows, a cloak of space

Black night, a veil of secrecy
A veil of secrets, a veil of mystery
It hides the stars, and muffles the sound
Of the world below, with its deep and profound

Black night, a realm of the unknown
A realm of possibility, a realm of the unknown
It beckons and calls, with its eerie and eerie
Whispers and sighs, a realm of mystery

Black night, a kingdom of the mind
A kingdom of imagination, a kingdom of the mind
It invites us in, to explore and to find
The secrets and mysteries, that lie behind

So embrace the black night, and all its secrets
Embrace the mystery, and all its aspects
For in its depths, we may just find
The answers to questions, that haunt our mind.

Friendship

Friendship, a bond so strong
A bond that lasts, a bond that's lifelong
It's a bond that's built, on trust and on love
A bond that withstands, all the storms above

Friendship, a relationship so true
A relationship that's rare, a relationship that's new
It's a relationship that's honest, and open and kind
A relationship that's full, of laughter and of good times

Friendship, a treasure of the heart
A treasure that's precious, a treasure that's rare
It's a treasure that's worth, more than gold
A treasure that's priceless, a treasure to behold

So cherish your friendships, and hold them dear
For they are the ones, who'll always be near
Through the good times, and the bad
Friends are the ones, who'll always have your back.

Colleagues

Colleagues, a team so strong
A team that works, a team that belongs
Together, we face, the challenges and the strife
Together, we overcome, and overcome life

Colleagues, a family at work
A family that cares, a family that's perk
We support each other, through thick and through thin
We're there for each other, through win or through win

Colleagues, a bond that's unbroken
A bond that's strong, a bond that's spoken
Through the highs and lows, we stand as one
Together, we face, whatever comes

So here's to colleagues, a team so fine
A team that's strong, and always in line
To face the world, and all its challenges
Together, we stand, and all its manage.

Emotionless

Emotionless, a state of the heart
A state of numbness, a state of the heart
Where feelings are suppressed, and emotions are locked away
A state of detachment, a state of decay

Emotionless, a wall of defense
A wall of protection, a wall of defense
It's a wall that's built, to keep out the pain
A wall that's strong, but also a wall of strain

Emotionless, a mask of the soul
A mask of indifference, a mask of the soul
It's a mask that hides, the feelings inside
A mask that's worn, to avoid the ride

But even in the depths of emotionless
There is hope, a glimmer of light
There is a way out, a way to express
The feelings that linger, and make everything right

So don't give up, and don't give in
To the numbness of emotionless, and the pain within
For even in the darkest of times
There is a way to find the light, and make everything shine.

Noting

Nothing, a void so deep
A void that's empty, a void that's steep
It's a void that's filled, with nothing at all
A void that's vast, and endlessly small

Nothing, a nothingness so pure
A nothingness that's absolute, a nothingness that's sure
It's a nothingness that's free, of all form and of all thought
A nothingness that's absolute, and never to be brought

Nothing, a concept so strange
A concept that's hard, to fully arrange
It's a concept that's hard, to wrap the mind around
A concept that's infinite, and without a bound

But even in the depths of nothing
There is something, a spark of light
There is a glimmer, of hope and of meaning
A spark that shines, and makes everything bright

So don't give up, and don't give in
To the void of nothing, and the emptiness within
For even in the darkest of times
There is a way to find the light, and make everything shine.

Lady Friend

Lady friend, a friend so true
A friend that's kind, and always there for you
She's a friend that's always, by your side
A friend that's loyal, and always in stride

Lady friend, a friend so dear
A friend that's close, and always near
She's a friend that's always, ready to listen
A friend that's caring, and always glisten

Lady friend, a friend so sweet
A friend that's gentle, and always discreet
She's a friend that's always, there to support
A friend that's loving, and always retort

So cherish your lady friend, and hold her dear
For she's the one, who'll always be near
Through the good times, and the bad
Lady friends are the ones, who'll always have your back.

Crash

Crash, a sound so loud
A sound that echoes, a sound that's proud
It's a sound that shatters, and breaks the silence
A sound that shakes, and disturbs the balance

Crash, a force so strong
A force that crushes, a force that's wrong
It's a force that damages, and destroys in its path
A force that leaves, a trail of aftermath

Crash, a moment so intense
A moment that's brief, a moment that's immense
It's a moment that changes, and shifts the course
A moment that alters, and leaves a scar

But even in the aftermath of a crash
There is hope, a glimmer of light
There is a way to rebuild, and to start anew
A way to rise, and make everything right

So don't give up, and don't give in
To the aftermath of a crash, and the pain within
For even in the darkest of times
There is a way to find the light, and make everything shine.

Social Connections

Social connections, a web so strong
A web that connects, a web that belongs
It's a web that's built, on trust and on love
A web that withstands, all the storms above

Social connections, a bond so true
A bond that's rare, a bond that's new
It's a bond that's honest, and open and kind
A bond that's full, of laughter and of good times

Social connections, a treasure of the heart
A treasure that's precious, a treasure that's rare
It's a treasure that's worth, more than gold
A treasure that's priceless, a treasure to behold

So cherish your social connections, and hold them dear
For they are the ones, who'll always be near
Through the good times, and the bad
Social connections are the ones, who'll always have your back.

Burden

Burden, a weight so heavy
A weight that drags, a weight that's ready
To pull you down, and bring you low
A weight that's hard, to let it go

Burden, a load so great
A load that strains, a load that's late
To be lifted, and carried with care
A load that's hard, to share

Burden, a responsibility so true
A responsibility that's yours, a responsibility that's due
It's a responsibility that's hard, to bear
A responsibility that's hard, to share

But even in the depths of burden
There is hope, a glimmer of light
There is a way to ease the load, and to find relief
A way to lighten the burden, and to find release

So don't give up, and don't give in
To the weight of burden, and the struggle within
For even in the darkest of times
There is a way to find the light, and to make everything shine.

Single people

Single people, a group so strong
A group that stands, a group that belongs
Together, we face, the challenges and the strife
Together, we overcome, and overcome life

Single people, a family of one
A family that's independent, a family that's fun
We support ourselves, through thick and through thin
We're there for ourselves, through win or through win

Single people, a bond that's unbroken
A bond that's strong, a bond that's spoken
Through the highs and lows, we stand as one
Together, we face, whatever comes

So here's to single people, a group so fine
A group that's strong, and always in line
To face the world, and all its challenges
Together, we stand, and all its manage.

Software

Software, a tool so powerful
A tool that transforms, a tool that's dutiful
It's a tool that's made, of code and of logic
A tool that's sharp, and always terrific

Software, a tool so versatile
A tool that adapts, a tool that's versatile
It's a tool that's used, for tasks and for fun
A tool that's always, on the run

Software, a tool so essential
A tool that's needed, a tool that's essential
It's a tool that's used, in all walks of life
A tool that's always, at the right time

So cherish your software, and hold it dear
For it's the one, that's always near
Through the good times, and the bad
Software is the one, that's always had
Your back.

Wifey

Wifey, a partner so dear
A partner that's close, and always near
She's a partner that's loving, and kind
A partner that's always, on my mind

Wifey, a partner so sweet
A partner that's gentle, and discreet
She's a partner that's always, ready to listen
A partner that's caring, and never glisten

Wifey, a partner so true
A partner that's loyal, and always new
She's a partner that's always, there to support
A partner that's loving, and always retort

So cherish your wifey, and hold her dear
For she's the one, who'll always be near
Through the good times, and the bad
Wifeys are the ones, who'll always have your back.

Chaos theory

Chaos theory, a concept so wild
A concept that's chaotic, a concept that's mild
It's a concept that's hard, to understand
A concept that's wild, and out of hand

Chaos theory, a theory so strange
A theory that's unpredictable, a theory that's deranged
It's a theory that's hard, to define
A theory that's wild, and always intertwined

Chaos theory, a theory so profound
A theory that's complex, a theory that's unbound
It's a theory that's used, in fields so diverse
A theory that's powerful, and always immersed

So cherish your chaos theory, and hold it dear
For it's the one, that's always clear
Through the good times, and the bad
Chaos theory is the one, that's always had
Your back.

Studentship

Studentship, a journey so grand
A journey that's full, of challenges and of plans
It's a journey that's hard, but also so rewarding
A journey that's long, but also so empowering

Studentship, a journey of growth
A journey that's full, of learning and of both
It's a journey that's hard, but also so fulfilling
A journey that's long, but also so thrilling

Studentship, a journey of discovery
A journey that's full, of questions and of history
It's a journey that's hard, but also so exciting
A journey that's long, but also so inviting.
So cherish your studentship, and hold it dear

Plagiarism

Plagiarism, a sin so grave
A sin that's cruel, a sin that's naive
It's a sin that's hard, to forgive and to forget
A sin that's damaging, and always a threat

Plagiarism, a crime so wrong
A crime that's unfair, a crime that's strong
It's a crime that's punished, and always in doubt
A crime that's costly, and always a rout

Plagiarism, a deed so unkind
A deed that's selfish, a deed that's confined
It's a deed that's frowned upon, and always in shame
A deed that's avoided, and never the same

So avoid plagiarism, and hold it dear

Selfishness

Selfishness, a trait so cruel
A trait that's self-serving, a trait that's unruly
It's a trait that's hard, to overcome and to ignore
A trait that's damaging, and always a bore

Selfishness, a flaw so wrong
A flaw that's self-centered, a flaw that's long
It's a flaw that's hard, to change and to amend
A flaw that's costly, and always to defend

Selfishness, a behavior so unkind
A behavior that's self-absorbed, a behavior that's confined
It's a behavior that's frowned upon, and always in shame
A behavior that's avoided, and never the same

So avoid selfishness, and hold it dear

Selfishness

Relationships, a bond so true
A bond that's strong, a bond that's new
It's a bond that's formed, through love and through care
A bond that's hard, to break and to tear

Relationships, a connection so deep
A connection that's personal, a connection that's steep
It's a connection that's built, through trust and through faith
A connection that's hard, to fake and to hate

Relationships, a partnership so rare
A partnership that's valuable, a partnership that's fair
It's a partnership that's nurtured, through communication and through respect
A partnership that's hard, to neglect and to forget

So cherish your relationships, and hold them dear
